See

SEE

Hizen Hamashuku

The area is called "Sakagura-dori" which means sake brewery street. There are samurai residences and thatched houses. Let's walk along the street!

Yutoku Inari Shrine

This is one of the Japan's top three inari shrines. Bright vermilion colors of the building catch the attention of everyone's eyes.

Ariake Sea

Various animals like Mudskippers and Green eel gobies inhabit there. Every year, Kashima Gatalympics is held on May.

Experience

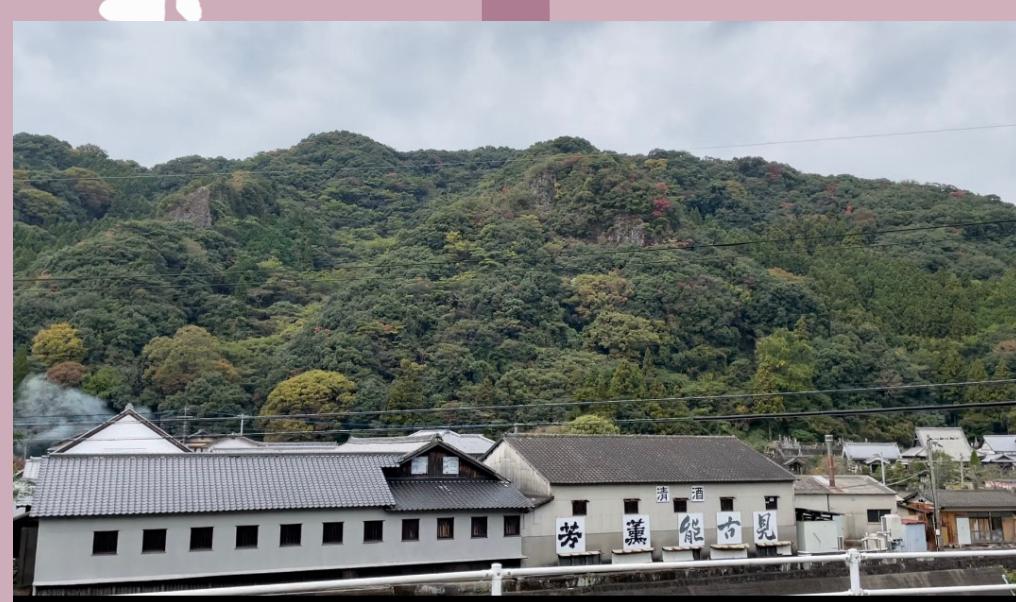

Sachihime Brewery

Through brewery trip and sake tasting experience, one can get used to Japan's sake. Soft serve ice cream of sake is popular.

Tazou Pickles

It is a Japanese pickles store founded over 100 years ago. We can buy Japanese pickles there. Also, we can make Japanese pickled vegetables.

Baba Brewery

It is a long-established brewery founded over 200 years. It is located in Nogomi district surrounded by rich nature.

Stay

Guesthouse Maru

It is a guesthouse near Hizenhamama station. The house is full of warm atmosphere.
